ing Town—The Uhrig Brothers— The Pomeroy, Gallipolis & Cimcin-nati R. R. via Billsboro, &c. &c.

Gallipolis, O., May 24, 1870. DEAR NEWS:—As I landed yesterlay from the steamer Ohio No. 4, and marched up the beautifully graded and graveled wharf that lies in front of the Public Square in this city, I raised of the country by immigration, its my eyes to the spot where once I enstay at home population suffering all camped with many other Highland the pangs of poverty—the necessities my eyes to the spot where once I en camped with many other Highland camped with many other Highland laddies, members of the 60th O. V. I., of competition compelling a schedule of wages which involves the practical of the working classes, both

Half closing my eyes, I fancied I in body and mind, and saw a row of tents stretched across the skilled labor into exile. Square, and a line of sentinels pacing slowly to and fro around the enclosure. while within, hundreds of "boys in blue" moved about, performing the va-rious duties pertaining to camp life, or

engaged in its recreations.
In imagination I heard the roll of long line formed for Dress Parade, under the supervision of our most excelent Adjutant, John M. Barrere.

But in reality, all this "pomp and circumstance of war" has passed away, and the camping ground has been graded and leveled, enclosed and planted with elms, maples and other shade trees, and a fine crop of clover and grass covers the once bare ground and obliterates the sentinel's well trodden heat and the sites of the various tents that once dotted its surface.

Gallipolis occupies one of the handmost excellent wharf; what is destined to be a very beautiful park on the river front; is regularly laid out; has plenty of room to "spread herself," (which she seems determined to do) and is and improvement is slow compared to bridegrooms. The congratulations

There are several wholesale estabshments, and many fine retail stores. Wednesday night, over the Illinois coon township, in this county, his and all doing a fair business. The Central Railroad. The whole cargo teen miles from river or railroad, Kanawha Valley trade is one of the most important to Gallipolis.

Yesterday a storm passed over the city, whirling the dust in suffocating clouds through the streets and around was needed. Destroy those Fur cerners, and doing some slight damage you never had been born. We naces, by the adoption of Free to one of the buildings in town by tearing off part of the tin roof and carrying it off toward the river.
